A North East Derbyshire-based IT firm is ready to expand following investment in its infrastructure.

SBK Computers Ltd provides IT solutions for small and medium sized businesses both locally and nationally. With help from the D2N2 Capital Growth Fund grant, SBK has renovated its internal facilities to improve energy efficiency and soundproofing throughout the company's premises at Holmewood.

Chloe Turner, Sales & Marketing Executive, said "We have recently rebranded to reflect the wider services we can now offer to our customers. The D2N2 Capital Growth Fund has helped to improve the working environment for our growing team and enhance the corporate environment to meet our clients."

"We now have the foundations in place to grow our business further by offering a whole suite of IT solutions and we will be expanding our team further over the coming months as a result".

David Smith, Account Manager for the Capital Growth Fund, said "The Capital Growth Fund is available to support businesses such as SBK with their growth plans and this project will enable them to fulfil their potential. I would urge any other businesses with capital expenditure projects that will result in business growth to tap into this resource".

The D2N2 Capital Growth Fund is delivered by [East Midlands Business Ltd](#) and funded by the [D2N2 Local Enterprise Partnership](#) through the European Regional Development Fund.

The fund is available to small and medium sized businesses across Derby, Derbyshire, Nottingham and Nottinghamshire. For further information on the D2N2 Capital Growth Fund and how to apply, please visit: www.d2n2capitalgrowthfund.com
