

## D2N2 Capital Growth Fund Case Study: Trans-Sport.tv

An award winning, family run business based in North Nottinghamshire have continued their impressive growth thanks to a grant award from the D2N2 Capital Growth Fund.

Trans-Sport.tv provide a complete event solution package, including everything from rigging, to temporary broadcast structures such as commentary boxes and outside studios. They have over 30 years' experience in bringing their technical and logistical knowledge to some of the world's leading brands.

The grant funding will support the introduction of cutting edge technology which will enable them to be at the forefront of the industry whilst fulfilling their environmental commitments.

Business owner Helen Cope, said "the new technology enables us to satisfy the needs of our customers by seamlessly delivering event management across Europe for our UK clients. It will also enable us to deliver multiple events at the same time whilst remaining ahead of the game in terms of industry standards and safety measures. The addition of an electric forklift truck will increase our efficiencies whilst demonstrating our commitment to the environmental and sustainability agenda."

"Trans-Sport.tv have developed a strategy to reach our vision of achieving a turnover of £4.5 million by 2022. We are investing in the future."

David Smith, Account Manager for the D2N2 Capital Growth Fund, said "We are pleased to be able to support Trans-Sport.tv in this exciting phase of their development. This is a family-run business with strong team values, creating local jobs in Nottinghamshire and operating on a global level with an impressive client base."

"If you run a small or medium-sized business in Derby, Derbyshire Nottingham or Nottinghamshire with a capital investment project that will create new jobs, then the D2N2 Capital Growth Fund may be for you."
